How have you and your company fared in the last 12 months? What's the impact? Did you and your agents buy-in to the emotional media hype? The fact remains that astute agents and savvy companies are bucking the trend of a seemingly declining market by consistently executing their plan. The formula for success is held within Y.O.U.

In his trademark humorous and inspirational presentation style, Jonathan Nicholas will take us on an introspective journey through the challenges and corresponding successes of this present market. This activity based workshop will include:

Economic review and outlook; Discovering what you've left behind; Considering your best opportunities; "Never Been Top Secret" practices for a Successful 2009; and Participant round-table discussions.
